Only the Lonely

The Motels

We walked the loneliest mile
We smiled without any style
We kiss altogether wrong
No intentionWe lied about each others dreams
We lived without each other thinkin'
What anyone would do
Without me and youChorus:
It's like I told you
Only the lonely can playSo hold on here we go
Hold on to nothin' we know
I feel so lonely way up hereYou mention the time we were together
So long ago, well I don't remember
All I know is that it makes me feel good nowRepeat chorus
