

# Only the Lonely

## The Motels

We walked the loneliest mile  
We smiled without any style  
We kiss altogether wrong  
No intention We lied about each others dreams  
We lived without each other thinkin'  
What anyone would do  
Without me and you Chorus:  
It's like I told you  
Only the lonely can play So hold on here we go  
Hold on to nothin' we know  
I feel so lonely way up here You mention the time we were together  
So long ago, well I don't remember  
All I know is that it makes me feel good now Repeat chorus
