Akinyele

(Akinyele)
Is the Bronx up in here
Is Queens up in here
Is Brooklyn up in here
Staten Island(Curly) Hook 2x
I'd rather fuck you girl
(??????????)
Spread out spread out spread out
(Complexion)(during hook)
Woman when it come to other gee's
We tell them bitches to flee(Complexion)
Now we could start this shit up on the living room couch
At your mother's house
As I push push
Up in your bush
Like a fucking deush
I think of different ways
That we could lay
Before we foreplay
So we could fuck fuck all through the night
And through the dayHook 2x(Complexion)
I say fuck them bitches
That I used to mess with
They knew I should of knew when it comes to handling real dick
I like when it's mushy
And the sex is wet and gushy
I love it when you push me
When I'm humping up in your pussyHook 7x(Akinyele)
Hey yo this is Ak-nel
With my man complexion
And curly from the Rasta block
We do it like this on funkmaster flex tape
So we give you the real 60 minutes of fuck
