

# Walking Blues

## Snooks Eaglin

Well I?m walkin an walkin.. Till I done got tired  
Well I?m walkin an walkin.. Till I done got tired  
Well there ain?t no use in worrying baby  
Sometimes I.. feel like crying

No way to travel  
Just can?t make it by train  
Just can?t travel  
Just got to.. make it by train  
If I don?t get home little baby  
Child you got your-self to blame

~Guitar Solo~

Well I just can?t travel  
I just can?t even make it by train  
Well I just can?t travel  
Just can?t make it by train  
Well you burden yourself little baby  
And you have yourself to blame
