Spoiled

Ashford & Simpson

I kinda thought that I'd be better off by myself
I've never been so wrong before
You made it impossible for me to ever love somebody else
And now I don't know what I left you forSee I thought that I could replace you
He can't love me the way you do
'Till now I never knewBaby I'm spoiled by your love, boy
No matter how I try to change my mind
What's the point it's just a waste of time
I'm spoiled by your touch, boy
The love you give is just too hard to fight
Don't want to live without you in my life
I'm spoiledI tried to tell myself that I'd be over you in a week or two
But baby that was 'bout a year ago
I've never seen the word love so personified as I do with you
And that is why I, I just can't let go, oh noI'm spoiled by your love, boy
No matter how I try to change my mind
What's the point it's just a waste of time
I'm spoiled by your touch, boy
The love you give is just too hard to fight
Don't want to live without you in my life
I'm spoiled, spoil me, ooh yeah, yeahAnd I would only be fooling myself
If I tried to believe there's room for someone else in my heart
There ain't no way I'm getting over you
I don't know what I've been trying to prove
I'm hopeless, helpless when it comes to you, you, youI'm spoiled by your love, boy
No matter how I try to change my mind
What's the point it's just a waste of time
I'm spoiled by your touch, boy
The love you give is just too hard to fight
Don't want to live without you in my life
I'm spoiled
I've been spoiled yeah, yeah
