

# The Medic

## Foxing

She says, "You always smell like cigarettes  
And there's always whiskey on your breath  
But you're the best that I can do  
And I think I love you." Now if you want me to slow down  
Just tell me to slow down  
Because I want to be loved She says, "You don't love me you just love sex  
But I can't wait around for something better than this  
Because you're the best that I can do  
And I wish I could leave you."  
Now if you want me to slow down  
Just tell me to slow down  
Because I want to be loved
