

# Anyone's Ghost (Acoustic SiriusXMU Session)

## The National

Say you stay at home  
Alone with the flu  
Find out from friends  
That wasn't true  
Go out at night with your headphones on, again  
And walk through the Manhattan valleys of, the dead  
Didn't want to be your ghost  
Didn't want to be anyone's ghost  
Didn't want to be your ghost  
Didn't want to be anyone's ghost  
But I don't want anybody else  
I don't want anybody else  
You said I came close  
As anyone has come  
To live underwater  
For more than a month  
You said it was not inside my heart, it was  
You said it should tear a kid apart, it does  
Didn't want to be your ghost  
Didn't want to be anyone's ghost  
Didn't want to be your ghost  
Didn't want to be anyone's ghost  
But I don't want anybody else  
I had a hole in the middle where the lightning went through it  
Told my friends not to worry  
I had a hole in the middle someone's sideshow to do  
I told my friends not to worry  
Didn't want to be your ghost  
Didn't want to be anyone's ghost  
Didn't want to be your ghost  
Didn't want to be anyone's ghost
