

Don't Say No, Just Say Yes

Avant

Oh, yes
Oh babe, yes babe
Oh, yes
Oh babe, yes babe
Open your heart and let me pour my loving
Inside of you baby
You make me feel like living and breathing again
I wanna touch you
Don't say no, yes
Your body's what I need
Don't say no, yes
I can hear you calling me
You're my diamond that shines all of the time
On my sleeve, yeah yeah
You make me reach my peak
That day you told me that you wanted me, don't be afraid, please
Don't say no, yes
Your body's what I need
Don't say no, yes
I can hear you calling me
You are my season
And you are the reason I feel the way I do
As our bodies become as one
You're my star, that what you are
Don't say no, yes
Your body's what I need
Don't say no, yes
I can hear you calling me
Now let me hear you say yes, say yes, say yes, oh yeah
Now let me hear you say yes, say yes, say yes, oh yeah
Come here baby, lay down right here
I don't wanna talk no more
I can feel you, your body all over mine
Open your door for me, I'm coming in
Knock, knock, knock, knock babe
Knock, knock, knock, knock babe
Knock, knock, knock, knock babe
