

Tell Me That You Love Me (feat. Leeyou & Danceey)

Emrah

I first saw you beside your red beat up car
Didn't take long till you were beating up my heartBaby tell me that you love me
Ah yeah ah yeah
Tell me that you love me
Ah yeah
Tell me that you love me
Ah yeah
Tell me that you love meI first saw you beside your red beat up car
Didn't take long till you were beating up my heart
Didn't Take
I thought we were on to something
You had a different plan
That night when I held you closely
Had you in my hands
I first saw you beside your red beat up car
Didn't take long till you were beating up my heartBaby tell me that you love me
Ah yeah ah yeah
Tell me that you love me
Ah yeah
Tell me that you love me
Ah yeah
Tell me that you love meI first saw you beside your red beat up car
Didn't take long till you were beating up my heart
Didn't Take
Didn't Take
Baby tell me that you love me
Ah yeah ah yeah
Tell me that you love me
Ah yeah
Tell me that you love me
Ah yeah
Tell me that you love meI first saw you beside your red beat up car
Didn't take long till you were beating up my heart
Didn't Take
