

# Baby

## Dave Matthews Band

Baby, It's alright  
Stop your cryin' now Nothing is here to stay  
Everything has to begin and end  
A ship in a bottle won't sail  
All we can do is dream that the  
wind will blow us across the water  
A ship in a bottle set sail Baby, It's alright  
Stop your cryin' now There was a weakling man  
who dreamed he was strong as a hurricane  
A ship in a bottle set sail  
He took a deep breath and blew across the world  
he watched everything crumble  
woke up a weakling again Some might tell you there's no hope in hand  
just because they feel hopeless  
but you don't have to be a thing like that  
You'll be a ship in a bottle set sail Baby' It's alright stop your cryin' now  
It's alright so stop your cryin' now You'll be a ship in a bottle set sail
