

Funky Ride

OutKast

Let me take you on a funky ride
All around the world
And, if you let me get inside your mind
Feel your spirits fly Oh baby, would you like to take a little ride with me
Unleash your sexual fantasies
It would be so nice
relax your body next to me
As I sing this OutKast melody
On this funky ride
So just relax baby Let me take you on a funky ride
All around the world
And, if you let me get inside your mind
Feel your spirits fly Now baby, now the smoke is in the air
Martell and Coke has got me there
And we wonder why you're high?
Well baby, it's nothing but that
Sess in your chest that got you feeling kinda crazy
So let your spirits fly
and enjoy the ride
Oh yeah baby Let me take you on a funky ride
All around the world
And, if you let me get inside your mind
Feel your spirits fly Let me take you on a funky ride
All around the world
And, if you let me get inside your mind
Feel your spirits fly Let me take you on a funky ride
All around the world
And, if you let me get inside your mind
Feel your spirits fly Let me take you on a funky ride
All around the world
And, if you let me get inside your mind
Feel your spirits fly Let me take you on a funky ride
All around the world
And, if you let me get inside your mind
Feel your spirits fly
