# Gold Digger

## Thomas Helmig

I've got scars
I've got scars from the inside and out
And I've got trouble, oh yeah
Whether alone or in a crowdOh Lord can't you see the light inside of meThere is a lady in my bedroom
She's digging for gold in a silver mine
She's giving her heart out to the heartless
She's trying to walk circles in a straight line
She says that she loves me like a woman loves a man
I've got shame
I've got shame bigger than Peru
And I've got jones, yes I do
Higher than KatmanduOh Lord can't you see the light inside of meThere is a lady in my bedroom
She's digging for gold in a silver mine
She's giving her heart out to the heartless
She's trying to walk circles in a straight line
She says that she loves me like a woman loves a manOh Lord can't you see the light inside of meI've got tickets
Two tickets for the movie show
Baby please, baby please
Tell me that you wanna goOh Lord can't you see the light inside of meOh Lord can't you see the light inside of me
There is lady in my bedroom
She's digging for gold in a silver mine
She's giving her heart out to the heartless
She's trying to walk circles in a straight line
She says that she loves me like a woman, oh yeah, oh yeah
She says that she loves me like a woman, oh yeah, oh yeah
