

Do It Like Pete Burns

Mr. Strange

Show me the world behind the sun,
Where both sexes inhabit one,
Show me a world where we don't run,
From the truth of what makes you cum, "Teach me"
I want to know how it feels,
"Show me"

Show me the other side of real, I wanna do it like Pete Burns,
I want your mind to twist and turn,
I wanna do it like Pete Burns,
My gender you cannot discern, Evolve beyond nature,
Androgynous super creature, You know what the girls like,
You know what the boys like,
Use me, it's not wrong,
Fuck me to the beat of this song, I see the gender sea,
I see what I want to be,
I'm changing into me,
Fuck the binary, "Teach me"
I want to know how it feels,
"Show me"

Show me the other side of real, I wanna do it like Pete Burns,
I want your mind to twist and turn,
I wanna do it like Pete Burns,
My gender you cannot discern, Evolve beyond nature,
Androgynous super creature, Spin me 'round and let me know,
How far you want to go,
Tell me what you want from me,
I'll be yours if you belong to me, Hold me close, I wanna feel your breath,
As you undo the back of my dress,
Make me yours with one caress,
Our gender's split and coalesce, Awake,
Dream no more, it's real, not a fantasy,
Awake,
Scream no more, bite forbidden fruit, feel ecstasy, Awake,
Don't dream it,
Awake,
Be it, If it's a sin,
Sin,
I won't judge you,
Give in,

It's better to rule in hell,
Than to serve in heaven,
