

It's Got to Be Real

El DeBarge

It came to me, when I was down
you build me up
All baby
You gave me love, you stayed around
But things got tough, Thank-you-baby
Am I'm so glad I found you bab-y
(You know it's got to be real)
It's got to be real
(Cause I can't fake what I feel)
That's how I feel about you baby
(I'm not just high on a thrill)
I give you all of my love
(You know it's got to be real)
Heyyyyyyyyyyyyyyyyy
I'm so glad to have you baby (oo oo)
I found love that's so deserved
(doo doo doo)
It's no doubt about it baby
(mm oo oo)
Cause yo love is gen-u-wine
(doo doo doo)
I'm confident, this must be it
No counterfeit
(oo oo oo)
Yea baby (Yes I do)
(oo oo ooh buh buh)
Wooo You bring me joy
(oo oo)
The real mccoys -That's why I'm yo boy yea baby
If I'm gonna give you my heart
(You know it's got to be real)
Ohhhh you know you know baby
(Cause I can't fake what I feel)
Howwww did you fake it baby
(I'm not just high on a thrill)
So allllllll already know
(You know it's got to be real)

I found love that's so divine
It's no doubt about it baby
Cause your love is genuine

oooooo Take me to a higher place
I feel like I, I was made to squeeze
Me till, I'm out of breath
Girl I'll give you all my best

making sure it never ends
And for me to give, all my heart to you
baby that should show you -Don't you know
(repeat bridge, then)
