

Come Here Boy

Sonos

It's dark in here, visions are flashing into my head
as I reminisce my reoccurring dreams and you said,
"I'm falling, falling for you babe
my feelings are getting stronger"
So why don't you stay with me for a little longer...
Come here boy, come here boy yeah
Come here boy, come here boy I know that my face is only too familiar to your sleep
I can see it in your eyes and I can tell by your body heat
Why are you taking so long?
You need me to come and find you, honey?
set your mind at rest, let your dreams run free
Come here boy, come here boy yeah
Come here boy, come here boy yeah
Come here boy, come here boy yeah
Come here boy, come here boy You know I'm no stranger in your dreams...
You know I'm no stranger in your dreams...
Oh and I'm craving, I'm howling, I'm begging, I'm pleading
You're mine tonight, oh yeah
Oh and I'm waiting, I'm dying, I'm wanting and I'm needing
to show you the slut I am
where I'll be touching and holding, caressing and giving you
every fantasy, yeah
I've got you dreaming and lusting, I'm burning and praying
for more of this ecstasy
come here boy, come here boy yeah
come here boy, come here boy
You know I'm no stranger in your dreams...
