

# Sidewalk Safari

## Chairlift

All of the bones in your body  
Are in way too few pieces for me  
Time to do something about it  
If you know what I mean  
I'm on a sidewalk safari  
If I see you on the street you'd better run  
Away from my all terrain weapon  
In your direction  
In your direction  
In your direction  
In your direction  
I'm on a sidewalk safari  
If I see you on the street you'd better run  
You should have taken a taxi  
In your direction  
'Cause I'm gonna run you down  
In your direction  
I'm gonna hunt you down  
  
In your direction  
I'm gonna run you down  
In your direction  
I'm gonna hunt you down  
In your direction  
Mmm I'm bad with bows and arrows  
I'm not so good at guns  
Poison seems old-fashioned  
And hired help's no fun  
But I do know how to drive a car  
Faster than a man can run  
'Cause I'm gonna run you down  
In your direction  
I'm gonna hunt you down  
In your direction  
I'm gonna run you down  
In your direction  
I'm gonna hunt you down  
In your direction
