# Get Off (Digital Visions Re-Edit)

## Foxy

Ooh, ooh, ooh
Ooh, ooh, ooh
Ooh, ooh, ooooooohYeah
Get offMusic may ease and end all discretion
So we can get off
We keep under the sheets with two lovelys
So we can get offSaid I hope that we get the promise, ladies
And make me get off
Take it from girls with our imagination
So we can get offCall me up at your place
I can love you crazy
In the heat you will understand
Danger and excitement
That's what makes a lady
Find out what she wants in a manTo get off, get off, to get off, to get off
To get off, to get off, to get off, to get, get offOoh, ooh, ooh, ooh, ooh, ooh
Ooh, ooh, ooh, ooh, ooh, ooh
Ooh, ooh, ooh, ooh, ooooooohLookin' through that dress that drive me crazy
And makes me get off
Sensuality excites my mind, it makes get off
If I were you I'd get a good perspective
On how to get off
Love me wild and love me crazy
So we can get offCall me up at your place
I can love you crazy
In the heat you will understand
Danger and excitement
That's what makes a lady
Find out what she wants in a manTo get off, to get off, to get off, to get off
To get off, to get off, to get off, to get, get offOoh, ooh, ooh, ooh
Ooh, ooh, ooh, ooh, ooooooohOoh, ooh, ooh, ooh, ooh, ooh
Ooh, ooh, ooh, ooh, ooh, ooh
Ooh, ooh, ooh, ooh, ooooooohLookin' through that dress that drive me crazy
And makes me get off
Sensuality excites my mind, it makes get off
If I were you I'd get a good perspective (for sure)
On how to get off
Love me wild and love me crazy
So we can get offCall me up at your place

I can love you crazy
In the heat you will understand
Danger and excitement
That's what makes a lady
Find out what she wants in a manTo get off, to get off, to get off, to get off
To get off, to get off, to get off, to get, get offOoh, ooh, ooh, ooh
Ooh, ooh, ooh, ooh, oooooohGet offSo get off, to get off, to get off, to get, get off
Get off to get off, to get off, get off
So get off, get off, to get off, to get, get off
Get off to get off, get off, get offTo get off, to get off, to get off, to get, get off
Get off, get off, get off, to get off
Get off to get off, get off, get, get off
Get off, get off, so get off, just get off
Get off, get off, get off
