well take a step into this madness that we call the dope game  
Richmond, California where us youngstas slang that cocaine  
and we be hoppin it up and choppin it up and rockin it up  
to tens, twenties, fifties, and hundreds to make our profits bro

and fiends on every corner trying to make them ends meet  
and the game get thicker

to the grave 6 feet deep  
I've never seen a man cry but I'm not Scarface G  
but I've seen alot of niggas die  
Richmond, California the town of the homicide  
got me caught up in a shuffle  
sellin crack to my people, just an everyday hustle  
I'm too deep to quit  
cause the game giva a young nigga like me profits

still trying to make a dollar out of 15 cents  
blood shot red eyes off that dank gettin toasted  
khakis wear up creased motherfuckin shirt half way open  
and on my stomach spells T-R-U  
that's my click motherfucker, in other words that's my crew  
that jumped out this game of crack  
to get into this game of rap, to put us on the map  
and we aint takin no shorts

independent worldwide and us niggas hella roll  
gettin paid like the bank, cook it up like crank  
distribute it to the world like some motherfucking dank  
but there's always some sucka ass busta playa hatin
