Anymore

Roy Drusky

I don't believe you love me anymore
Lately you've been acting strange to me somehow it's not the way it used to be
You're doing things you never dared to do before
And I don't believe you love me anymore
I felt your love grow colder day by day
When I tried to hold you close you turned away
There must be someone else you're longing for
And I don't believe you love me anymore
[guitar]
Greener pastures now you think you've found
But what will happen when the grass turns brown
I'm hearing things on you I've never heard before
And I don't believe you love me anymore
I felt your love grow colder...
No I don't believe you love me anymore
