Bury White

Far

To resurrect ourselves
We disembowel our saints
We never underestimate
The destructive power of changeWe'd find another way
We'd dream up stupid shit
To while away our days
There's time for everythingWe're always searching for what's wrongNo, no, it's all wrong now
No, no, it's all wrong(Soothe me lover)
In my heart
(Left me nowhere)
It's all wrong
(Soothe me lover)
In my heartWe dance around the wire
A bunch of piranhas
We dress ourselves in words
Armed and overheardWe're always searching for what's wrongNo, no, so gone now
No, no, it's all wrong(Soothe me lover)
In my heart
(Left me nowhere)
It's all wrong
(Soothe me lover)
In my heart
So soothe me, oh
