Mrs. God

Helloween

Mrs. God, am I right? That's your real address
This time, it's you, ready to confess
Free the masculine world, cancel their humilityMrs. God, can it be? Can You be a light?
One dressed to kill, walk on, how you bite
This will state and explain why men are sometimes stumblingMrs. God, are You there, laughing at us is not fair
Mrs. God can You see all the shit You've done to me?
Mrs. God, may I say this, wipe out of my kind
We were so deceived, You'd better left us blindMrs. God, we are cool, we take it with a smile
But don't be cruel, that's heavy to defy
When for some hundred years God has always had a beardMrs. God, are You there, laughing at us is not fair
Mrs. God can You see all the shit You've done to me?
Mrs. God, are You there, laughing at us is not fair
Mrs. God can You see all the shit You've done to me?Mrs. God, are You there, laughing at us is not fair
Mrs. God can You see all the shit You've done to me?
Mrs. God, are You there, laughing at us is not fair
Mrs. God can You see all the shit You've done to me?
