

# Save Your Love

## Great White

I wake in the night  
To find you on my mind  
Deep in a dream  
You'll always be  
Until the end of time I look in your eyes  
They touch my soul  
My love is hard to hide  
I'm never alone when we're apart  
I feel you by my side And here in my heart  
Where no one else will ever be  
I know who you are  
So lock the door  
And throw away the key Save all your love  
Save your love for me  
When I'm alone at night  
You're all I see I wake from a dream  
And see you by my side  
How could I belong to someone else  
When holdin' you feels so right? And here in my heart  
Where no one else will ever be  
We've made it so far  
So lock the door  
And throw away the key, yeah Save all your love  
Save all your love for me  
When I'm alone at night  
You're all I see Save all your love  
Save your love for me  
Don't turn your back on me  
You're all I need I know who you are  
We've come so far  
So baby, stay with me, yeah Save all your love  
Save all your love for me  
When I'm alone at night  
You're all I see Save all your love  
Save your love for me  
Don't turn your back on me  
You're all I need Saved by your love  
Save your love  
Save your love

Saved by your love Save, save all your love

Save your love

Baby, save all your love

Save all your love
