

Adolescent Dream

Manfred Mann's Earth Band

Written by Manfred Mann

- Published Scalehand Ltd.

. You're not the great romantic

Crystal juke-box queen

You're not my old adolescent dream

You're not my spiritual gypsy

My fifty Chevy Machine

You're not my old adolescent dream Oh no my friend

You stand above all that

You're my life

My love

My blood

My soul You're not the way I planned it

The way it's meant to be

You're not my old adolescent dream Oh no my friend

You stand above all that

You're my life

My love

My blood

My soul Oh no, you're not my old adolescent dream
