

The Burn

Framing Hanley

I was all smiles
When I signed on that dotted line
And after these thousands of miles
I don't know what in life is mine And what's been taken from me
There's so much I could say
But I don't know where to start
Where to start, where to start I took the bullet
And I never thought twice
I'm always the coolest
When there's money in their eyes Let's burn down this angel town
Let's burn Hollywood to the ground Cynics all around
They wear masks I wanna see
They make audible sounds
But never say anything How can I give you my life?
There's nowhere left to go when it's over
I took the bullet, took the heat, I took the fall
I guess I was foolish to believe after all Let's burn down this angel town
Let's burn Hollywood to the ground They took all my dreams
And all of my things
My family counted on me
And I can't let them down
Let them down Let's burn down Hollywood
'Cause Hollywood, Hollywood lied
Let's burn down this angel town
Let's burn Hollywood to the ground They took all my dreams
And all of my things
My family counted on me
And I let everyone down
I let you down Let's burn down Hollywood
'Cause Hollywood, Hollywood lied Oh, oh, oh, oh
Oh, oh, oh, oh
Oh, oh, oh, oh
