Not Urs To Keep (ft. Cold Hart)

GOTHBOICLIQUE

[Verse 1:]
I just keep on fucking up my life every time
I just want to know am I really worth your time?
Don't worry, I don't care if you cry

[Chorus:]
Whoa, here we go again
Damn, how'd it get to this
I know, I'm in to deep
But I'm, not yours to keep

[Bridge:]
No, I'm a rolling stone
Oh, yeah I'm barely home
I'm somewhere on the road
And now I've got to go

[Verse 2:]
Yeah I'll see you in the fall
Popping bars at the mall
Spend it all
Watch you crawl
Yeah I'm waiting for your call
And I miss you so much
It's just like I've got withdrawals
Then we kiss
Then we touch
We get high just to love

[Chorus:]
Whoa, here we go again
Damn, how'd it get to this
I know, I'm in to deep
But I'm, not yours to keep
