You're Kind

Paul Simon

You're kind, you're so kind
You rescued me when I was blind
And you put me on your pillow
When I was on the wall
You're kind, so kind, so kindAnd you're good, you're so good
You introduced me to your neighborhood
Seems like I ain't never had so many friends before
That's because you're good, you're so goodWhy you don't treat me like the other humans do?
It's just mystery to me
It gets me agitated when I think that
You're gonna love me now, indefinitelySo goodbye, goodbye
I'm gonna leave you now
And here's the reason why
I like to sleep with the window open
And you keep the window closed
So goodbye, goodbye, goodbye
