Lift 'u' Up

Gotthard

I'll tell you what to do
When your life has you in a bind
When you're calling up on luck
But the beep-beep is all that you findAnd there's nothing you can do about it
'Cuz there's more than is meeting the eye
Now I want you to know that you're part of the show
Come around, come around, come aroundI can't live without, whoa
Wanna rock this feeling off the ground
Wanna lift u up, whoa
Wanna rock, rock 'til the morning dawn
Morning dawnAll I wanna do is put a smile
Back there on your face
Just forget about the blues
'Cuz we need you here to shake up the placeAnd there's nothing you can do about it
'Cuz there's more than is meeting the eye
Now I want you to know that you're part of the show
Come around, come around, come aroundI can't live without, whoa
Wanna rock this feeling off the ground
Wanna lift u up, whoa
Wanna rock, rock 'til the morning dawn
Morning dawnOne crowd, one hymn
Now let the show begin
One time again
'Rround, come around, come aroundI can't live without, whoa
Wanna rock this feeling off the ground
Wanna lift u up, whoa
Wanna rock, rock 'till the morning dawn
Rocking and rolling and rockingWhoa, wanna rock this feeling off the ground
Whoa, wanna rock, rock 'til the morning dawn
Morning dawn
