Life Is Calling My Name

Shane Yellowbird

Got a full tank of gas
Places to go
People to see
That I dont know
Fresh air
New ground to walk on
Got the warm sunshine
Tugging at me
The road ahead is all I see
Good times waiting my arrival
Its been a long time coming
My revival
YeahLife is calming my name
Aint never gonna be the same
Ill go dancing in the pourin rain if I want to
Free to be what I wanna be
Nobody stopping me
No one telling me what I cant do
Yeah life, life is calling my name
Oh yeahA chance like this doesnt come every day
Gotta take it now
Cant throw it away
This aint no time for hesitating
Sometimes its money
Sometimes its fame
And it aint easy when your chasing a dream
So close that you can always touch it
When its in your hands
You just gotta love it
OooohLife is calming my name
Aint never gonna be the same
Ill go dancing in the pourin rain if I want to
Free to be what I wanna be
Aint nobody stopping me
No one telling me what I cant do
Yeah life, life is calling my nameWhen its in your hands
You just gotta love it
OoohLife is calling my name
Aint never gonna be the same

Ill go dancing in the pourin rain if I want to
Free to be what I wanna be
Aint nobody stopping me
No one telling me what I cant do
Yeah life, life is calling my nameLife is calling my name
Life is calling my name
Ooh its calling my name
