Danny's Song

Lynn Anderson

People smile and tell I'm the lucky one we've just begun I think I'm gonna have a son
He'll be like he and me as free as a dove
Conceived in love the sun is gonna shine above
Even though we ain't got money I'm so in love with you honey
Everything will bring a chain of love
In the mornin' when I rise you bring a tear of joy to my eyes
Tell me everything is gonna be all rightLove the man who holds the world in a paper cup oh drink it up
Love him and he'll bring you luck
And if you find he helps your mind better take him home
Oh don't you live alone try to earn what lovers own
Even though we ain't got money...
[steel]
Even though we ain't got money...
