

Glow (BB-Project Hands Up Bootleg Mix)

Madcon

My heart, it beats to your song
A melody sent from God
I can't breathe when you're gone
Yes I'm deeply in love (Be my valentine)
Every single day of my life (My heart is sacrificed)
Night and day, day and night Today's the day (Tonight's the night)
I know you feelin' my sound (I'm a make you clap)
'Cause today's the day (Tonight's the night)
I'm a lay it down (I'm a lay it down)
I'm a get up so I can't get down (I'm a)
Hear me roar, hear my thunder sound (I'm a, I'm a)
I'm the lord of the underground (I'm a, I'm a)
Part of the jungle (I'm a, I'm a, I'm a, I'm a) Let's glow (Hands high, hands high)
I can't wait, I can't wait to see ya
Glow (Hands high, hands high)
Round the world, round the world my people
Glow, glow (Hands high, hands high)
I can't wait, I can't wait to see ya
Glow, (Hands high, hands high)
Round the world, round the world my people, glow Let us share this moment,
Let's enjoy this night,
Get the world connected,
Though you one of a kind, See we try to reach out,
Get the world to see,
Though we all feel different,
You are just like me, Today's the day (Tonight's the night)
I know you feelin' my sound (I'm a make you clap)
'Cause today's the day (Tonight's the night)
I'm a lay it down (I'm a lay it down)
I'm a get up so I can't get down (I'm a)
Hear me roar, hear my thunder sound (I'm a, I'm a)
I'm the lord of the underground (I'm a, I'm a)
Part of the jungle (I'm a, I'm a, I'm a, I'm a) Let's glow (Hands high, hands high)
I can't wait, I can't wait to see ya
Glow (Hands high, hands high)
Round the world, round the world my people
Glow, glow (Hands high, hands high)
I can't wait, I can't wait to see ya
Glow, (Hands high, hands high)

Round the world, round the world my people, glow
 We free, and you so light
 Let me see you glow throughout the night,
 'Cause I wanna dance (dance, dance)
 Yes I wanna dance, (dance) tonight!
 Now put your hands high, hands high!
 All the people like this go
 Hands high, hands high!
 And I'm telling you wave your
 Hands high, hands high!
 All around the world, put your
 Hands high!
 Just put your hands high!
 I'm a, I'm a, I'm a, I'm a
 Glow
 Let's glow (Hands high, hands high)
 I can't wait, I can't wait to see ya
 Glow (Hands high, hands high)
 Round the world, round the world my people
 Glow, glow (Hands high, hands high)
 I can't wait, I can't wait to see ya
 Glow, (Hands high, hands high)
 Round the world, round the world my people, glow
 Let's glow (Hands high, hands high)
 I can't wait, I can't wait to see ya
 Glow
 Round the world, round the world my people
 Glow, glow (Hands high, hands high)
 I can't wait, I can't wait to see ya
 Glow,
 Round the world, Round the world my people, glow
 Let's glow (Hands high, hands high)
 I can't wait, I can't wait to see ya (I'll be there)
 Glow
 Round the world, round the world my people
 Glow, glow (Hands high, hands high)
 I can't wait, I can't wait to see ya
 Glow,
 Round the world, round the world my people, glow
 Hands high! Hands high, jump!
 Hands high! Hands high, jump!
 Hands high! Hands high, jump!
