You Won't Fall

Lori Carson

I don't need the surface of things
To tell me
I just know
You can rest easy
Your beauty is clear to me
You won't fall
You won't fall

Heat hangs in this room
With pictures on your wall
Of other lives
Do you mourn them all?
Tears fall from your eyes
Like rain, unexpectedly
Don't be afraid my love

You won't fall
You won't fall

I don't need the surface of things
To tell me
I just know
You can rest easy
One day this un-named fear
Will leave you
Still standing here

You won't fall
You won't fall
I'll catch you
But you won't fall
I'm right here
But you won't fall
