A Night In Tunisia

Ella Fitzgerald

The moon is the same moon above you
Aglow with its cool evening light
But shining at night in Tunisia
Never does it shine so brightThe stars are aglow in the heavens
But only the wise understand
That shining at night in Tunisia
They guide you through the desert sandWords fail to tell a tale
Too exotic to be told
Each night's a deeper night
In a world, ages oldThe cares of the day seem to vanish
The ending of day brings release
Each wonderful night in Tunisia
Where the nights are filled with peaceThe moon is the same moon above you
Aglow with its cool evening light
But shining at night in Tunisia
Never does it shine so brightThe stars are aglow in the heavens
But only the wise understand
That shining at night in Tunisia
They guide you through the desert sandWords fail to tell a tale
Too exotic to be told
Each night's a deeper night
In a world, ages oldThe cares of the day seem to vanish
The ending of day brings release
Each wonderful night in Tunisia
Where the nights are filled with peaceThe moon is the same up above you
Aglow with its cool evening light
But shining at night in Tunisia
Never does it shine so brightThe stars are aglow in the heavens
But only the wise understand
That shining at night in Tunisia
They guide you through the desert sandWords fail to tell a tale
Too exotic to be told
Each night's a deeper night
In a world, ages oldThe cares of the day seem to vanish
The ending of day brings release
Each wonderful night in Tunisia
Where the nights are filled with peaceEach wonderful night in Tunisia
