

Baby, All Those Girls Meant Nothing To Me

David Lowery

All those girls meant nothing to me
All those girls meant nothing to me I'm crawling on my hands and my knees
Won't you please take me back?
I'm crawling on my hands and my knees
Through all my thrown-out stuff All those girls meant nothing to me
So baby please, so baby please
Take me back
All those girls meant nothing to me
All those girls meant nothing to me I'm crawling on my hands and my knees
Won't you please take me back?
I'm crawling on my hands and my knees Up our backyard steps All those Spanish MySpace girls
All those girls meant nothing to me All those girls meant nothing to me
All those girls meant nothing to me So baby please take me back
So baby please take me back
Oh baby please
So baby please
So baby please
Oh baby please
Oh baby please
Oh baby please (Take me back)
