Brought Back to Life

Nekromantix

monuments are standing tallsee them break watch them fall
blinded by a promised worddon't believe in what you've heardbeen asleep for a thousand years
determination in his eyesswimming in the sea of tearshe's brought back to lifesymbols from a long gone timedon't be a fool oh nodon't stand up in lineredeem yourself and see it through
there is no way out nowit's up to yousee him grow watch him riseit's about time you wake up and realize
from beyond he emergehe's brought back to life
you can call in your search
