School Of Rock

Soundtrack

Baby we was making straight A's
But we were stuck in a dumb days
Don't take much to memorize your life
I feel like I've been hypnotocised
And then that magic man he come to town
WHOO-WEE
He done spun my head around
He said "Recess is in session
2 and 2 makes 5 "
And now baby oh i'm alive
OH YEAH I am Alive(CHORUS)
And if you wanna be the teachers pet
Well baby you just better forget it
Rock got no reason
Rock got no rhyme
You better get me to school on time
OH YEAHOh you know I was on an honor roll
Got good grades and got no soul
Raised my hand before I could speak my mind
Oh I been biting my tongue to many times
And then that magic man said to obey (A-hah)
Do what magic man do
Not what magic man say
Now can I please have the attention of the class
Todays assignment...Ahem...KICK SOME ASS!(CHORUS)
And if you wanna be the teachers pet
Well baby you just better forget it
Rock got no reason
Rock got no rhyme
You better get me to school on time
RepeatThis is my final exam
Now y'all know who I am
I might not be your perfect son
But y'all be rockin' when I'm done
