# Alive

## Oasis

The people will notice that the times are changing
It's just for now but not for good
It's my feelings that I don't think you're training
Take them now if you think you shouldYou want something for nothing
The higher that you climb the longer you fall
Maybe your time is coming
Will you ask to climb when you find the wall?Is it time to doubt? Is it time to wait?
Will you be left alone at the starting gate?
I'm not blind and I don't mind
'Cause I got time, now I'm aliveThe people have noticed that the times are changing
But are they gonna do something now
I think I've seen you all hesitating
I think I'll go and do something nowYou want something for nothing
The higher that you climb, the longer you fall
Maybe your time is coming
Will you ask to climb when you find the wall?Is it time to doubt? Is it time to wait?
Will you be left alone at the starting gate?
I'm not blind and I don't mind
'Cause I got time, now I'm aliveYeah, I'm alive
And now, I'm alive
Yeah, I'm alive
