

# Motorhome

## Underworld

What don't lift you  
Drag you down  
Keep away from the darksides It don't lift you  
Drags you down  
Keep away from the darksides What don't lift you  
Drag you down  
Keep away from the darksides  
It don't lift you  
Drags you down  
Keep away from the darksides
