We Owe This To Ourselves

Anberlin

Since when did bullets start to sing
It didn't have to end like this
Is this the end of everything
It didn't have to end like this
I feel I feel we can't stop here
I feel I feel we won't stop here
It doesn't have to end like thisWe owe this to ourselves
We owe this to ourselves
We can't just let this go
We owe this to ourselves
We owe this to ourselves
We just can't let this goIf every man became a king
We could start it off with this
We could do more than just dream
We could start it off with this
I feel I feel the change is hereWe owe this to ourselves
We owe this to ourselves
We can't just let this go
We owe this to ourselves
We owe this to ourselves
We just can't let this go
