

Cold Duck

Al Jarreau

Eddie Load up
Eddie low down
Beautiful funk
From a hole in a horn

Burnin' it up
Burnin' it down
Burnin' so hot melt
The snow on the ground

Better pass the cold duck round.
Eddie got the cold duck down.

Eddie Load up
Eddie low down
Beautiful funk from a hole in a horn

Burnin' it up
Burnin' it down
Burnin' so hot melt
The snow on the ground
Eddie got the cold duck down.
Eddie got the cold duck down.

Eddie load up
Eddie low down
Beautiful funk
From a hole in a horn

Burnin' it up
Burnin' it down
Burnin' so hot melt the snow on the ground

Better pass the cold duck around.
Eddie got the cold duck down.
Eddie pass the cold duck 'round.
