JUST DO ME

Cymphonique

[Verse 1:]
Mouth wide open I caught you by surprise
The way you look at me, boy I got you hypnotized
It's like I grew up, yeah right before your eyes
I got a little something I know that you like[Chorus:]
I'm at that point where I'ma just do me
'Cuz can't nobody do me better baby
I'ma make you look at me
A little differently
So watch me do my thang
And I'ma spread my wangs'Cuz opinions are like...
Everybody's got one
They all got opinions even when you ain't for 'em
Hey! You can have your point-of-view
'Cuz up where I'm at you can't see how I doToni-ight-ight I'ma do what I want
Toni-ight-ight I'ma say what I want
Toni-ight-ight I'ma move how I want, I'ma live how I want
I'ma just do me tonight[Verse 2:]
I'm my own umbrella, you can't rain on my parade
And who gives a care what a hater gotta say
'Cuz I stay get it all day, everyday
My life is like a party, watch me rock it till the end[Chorus:]
I'm at that point where I'ma just do me
'Cuz can't nobody do me better baby
I'ma make you look at me
A little differently
So watch me do my thang
And I'ma spread my wangs'Cuz opinions are like...
Everybody's got one
They all got opinions even when you ain't for 'em
Hey! You can have your point-of-view
'Cuz up where I'm at you can't see how I doToni-ight-ight I'ma do what I want
Toni-ight-ight I'ma say what I want
Toni-ight-ight I'ma move how I want, I'ma live how I want
I'ma just do me tonight[Bridge:]
I'm not her and she ain't me
So don't compare me to some girl you think I should be'Cuz I'ma do my own thing
Watch me do my own thing
I'ma do my own thing

Tonight'Cuz when I look in the mirror the face I see
Belongs to me[Chorus:]
'Cuz opinions are like...
Everybody's got one
They all got opinions even when you ain't for 'em
Hey! You can have your point-of-view
'Cuz up where I'm at you can't see how I doToni-ight-ight I'ma do what I want
Toni-ight-ight I'ma say what I want
Toni-ight-ight I'ma move how I want, I'ma live how I want
I'ma just do me tonight
