

# When Chaos Comes

## I Was Totally Destroying It

"See them well, see them overjoyed"  
Shadows fell and eclipsed our time  
And I set myself up for the fall, after all  
Well I know that I'm six feet underground when chaos comes  
You run around like a lightning storm  
Cutting corners in your finest form  
And I set myself up for the fall, after all  
Well I know that I'm six feet underground when chaos comes  
So listen, let's cut a deal  
So listen, love  
It's just you and me, it's just you and me for good  
"So see them well, see them overjoyed"  
Time will tell how our troubles join  
And I set myself up for the fall, after all  
Yeah I know that I'm six feet underground when chaos comes  
And chaos conquers meâ€¦
