I Am

Airlock

I don't talk, the way that you talk
I don't walk, the way that you walk
I don't see, the way that you see
I don't feel, the way that you feelI don't think, the way that you think
I don't sing, the way that you sing
I don't speak, the way that you speak
I don't need, the way that you needJe suis qui je suis (I am who I am)
Je fais comme je sens (I do as i feel)
Je vais essayer (I'm gonna try)
De te retrouver (To find you again)I don't talk, the way that you talk
I don't walk that way that you walk
I don't cry the way that you cry
I don't try the way that you tryJe suis qui je suis (I am who I am)
Je fais comme je sens (I do as i feel)
Je vais essayer (I'm gonna try)
De te retrouver (To find you)Tu veux toujours parler (You always wanna talk)
Tu n'coutes jamais (You never listen)
Si tu veux m'aimer (If you wanna love me)
Pourquoi me changer (Why change me)Je suis qui je suis (I am who I am)
Je fais comme je sens (I do as i feel)
Je vais essayer (I'm gonna try)
De te retrouver (To find you)
De te retrouver (To find you)
Tu n'coutes jamais (You never listen)
De te retrouver (To find you)
Pourquoi me changer (Why change me)
