2009

JPNSGRLS

You came over just to comfort me
You got off with nothing underneath
Your cold day
You told all my friends that I had peaked
I told all my friends that I had peaked

Oh, when youâ€™re the first to come to it
You feel so magnificent darling,
Youâ€™re so charming
Oh! When they magically scream â€œno!â€•
Get back to me this instant
Youâ€™re so distant
Yeah

You French kissed me in the limousine
The whole committee said they found their queen
I quietly admitted I agreed
I told my friends and family that I had peaked.

Oh, when youâ€™re the first to come to it
You feel so magnificent darling,
Youâ€™re so charming
Oh! When they magically scream â€œno!â€•
Get back to me this instant
Youâ€™re so distant
Ohhh
Ohhhh
Oh, when they magically scream no
Get back to me this instant
Youâ€™re so distant
Oh when they magically scream so
I guess adultery is a guy thing
Hey, nice timing
Oh when they magically scream no
We all pile against confidinâ€™
Are you trying?

Ohhh
Ohhh
Ohhhh
