

My One and Only Love

Rod Stewart

The very thought of you makes my heart sing
Like an April breeze on the wings of spring
And you appear in all your splendor
My one and only loveThe shadows fall and spread their mystic charms
In the hush of night while youre in my arms
I feel your lips so warm and tender
My one and only loveThe touch of your hand is like heaven
A heaven that Ive never known
The blush on your cheek whenever I speak
Tells me that you are my ownYou fill my eager heart with such desire
Every kiss you give sets my soul on fire
I give myself in sweet surrender
My one and only loveThe touch of your hand is like heaven
A heaven that Ive never known
And the blush on your cheek whenever I speak
Tells me that you are my ownYou fill my eager heart with such desire
Every kiss you give sets my soul on fire
I give myself in sweet surrender
My one and only loveSets my soul on fire
