

Subway to Venus

Red Hot Chili Peppers

Step right up and listen please
You're gonna get it with the greatest of ease
Well, well everybody gather around
All aboard the underground You've got to get in before you get out
And getting out is what it's gonna be about
If you find that you are blind
Open your bashful mind Let my band step inside
Take you on a cosmic ride
Let my band step inside
Take you on a cosmic ride With honest sounds, I'll paint your brain
In this song, I do proclaim
That once aboard this moving train
I'll do my best to ease your pain Slinky as my speech may be
On this trip, you'll ride for free
And as we leave our trailer spot
We're outer space and not so dot Axis bold as love you see
Comes and goes so easily
This axis bold as love you see
Comes and goes so easily Space is king or so I sing
A subway to Venus
Space is king or so I sing
A subway to Venus Once aboard and feeling smooth
Like a liquid, you will ooze
Into a state of mind that soothes
Be my guest inside my grove 'Cause what I've got to give to you
Is gonna make you wanna [Incomprehensible]
Make you wiggle like a wiggly worm
'Cause you deserve to wiggle and squirm Life's too short to be in a hole
So bust into your funkiest stroll
Life's too short to be in a hole
So bust into your funkiest stroll Space is king or so I sing
A subway to Venus
Space is king or so I sing
A subway to Venus 'Cause what I've got to give to you
Is gonna make you wanna [Incomprehensible]
Make you wiggle like a wiggly worm
'Cause you deserve to wiggle and squirm Life's too short to be in a hole
So bust into your funkiest stroll
Well, take your body, shake it around

And do the dog on the ground
And if I can't make you dance
I guess I'll just have to make you
Piss your pantsSpace is king or so I sing
A subway to Venus
Space is king or so I sing
Subway to VenusSpace is king or so I sing
Subway to Venus
Space is king or so I sing
Subway to Venus
