Chanel West Coast

It's your girl Chanel West Coast
If you drunk and acting foolish then this be the music
That shit to make you lose it, get thrown out like you stupid
Maybe bands'll make her do it, lands in France will make me move it
In a trance from my movement, getting love like Jen Hewitt
Living life to the fullest like Jack Nick and Freeman in that movie
Catch me living in Miami, Willy beeming with the Louis
The queen, of Lamb beans, stay dripping, buy the jewelry
No other team, we live the dream, that's just the way we do it B
I'm about what's happening, stay all about my fashion
Chicks that we be smashing, getting money that's my passion
Loaded like I'm blazing, you can't get it, why you asking
Got money in my mansion, flashing lights Kardashian
Looking, looking so fly, I'm tied with the sky
Looking, looking so fly, I'm tied with the sky
Looking, looking so fly, I'm tied with the sky
Looking, looking so fly, I'm tied with the sky
Call lock a fell, call lock a fell
Call lock a fell, call lock a fell
Call lock a fell, call lock a fell
You know I'm looking so fly
Lamborgini doors to my front porch cause I just lost my mind
San Borgini tours, burnt cash like torch cause I stay on my grind
In bikinis, hot so hot scorch, beach bunny is the line
Sip martinis, coast to coast, be at the chatxeoux all the time
Jimi choos baby, that's my shoes baby
I'll never lose baby, spread the news baby
I'm the deuce baby, on top of booths baby
My swag a million, billion, a trillion, Chanel be the truth baby
I'm about what's happening, stay all about my fashion
Chicks that we be smashing, getting money that's my passion
Loaded like I'm blazing, you can't get it, why you asking
Got money in my mansion, flashing lights Kardashian
Looking, looking so fly, I'm tied with the sky
Looking, looking so fly, I'm tied with the sky
Looking, looking so fly, I'm tied with the sky
Looking, looking so fly, I'm tied with the sky
Call lock a fell, call lock a fell
Call lock a fell, call lock a felll

You know I'm looking so fly
Call lock a fell, call lock a fell
Call lock a fell, call lock a fell
You know I'm looking so fly
New York, Paris, London, Japan
All around the world, keep getting what you can
And I won't stop forever, cop the flyest, get the largest
Ride a poly to Vancouver cause I'm hotter than some tater tots
I'm never gonna be too Hollywood so you can never say it
I paid my dues in Hollywood, my road I even paid it
And now I'm on the red carpet in red bottoms, that's what they said
I'm living the dream, make my own bread, drink the kill leaving them dead
I'm about what's happening, stay all about my fashion
Chicks that we be smashing, getting money that's my passion
Loaded like I'm blazing, you can't get it, why you asking
Got money in my mansion, flashing lights Kardashian
Looking, looking so fly, I'm tied with the sky
Looking, looking so fly, I'm tied with the sky
Looking, looking so fly, I'm tied with the sky
Looking, looking so fly, I'm tied with the sky
Call lock a fell, call lock a fell
Call lock a fell, call lock a fell
You know I'm looking so fly
Call lock a fell, call lock a fell
Call lock a fell, call lock a fell
You know I'm looking so fly
