

Freeway Mad (Live At Donington 1980)

Saxon

I'm screaming down the freeway
Gonna try and burn you out
I'm keeping in the fast lane
Top me and I'll take you out And I know, yes I know
I want it so bad
I'm freeway mad I'm burning down the freeway
Doing ninety miles an hour
I'm faster than a speedboat
Pulling every inch of power. And I know, yes I know
I want it so bad
I'm freeway mad I'm going down the freeway
Never gonna get me out
Steaming like a freight train
Gonna blow my pistons out And I know, yes I know
I want it so bad
I need it so bad
I want it so bad
Fu-fu-fu-fucking freeway mad
