

# Bow Down (To No Man)

## Hogni

I won't bow down to no man

Not even if I need a ride to the next village

Not if I need to cross continents

Nor if I need money

Or when I feel lonely

...will I ever bow down to no man

Not even if you have a car with a tank-full of gas

Not even if you have a ship to cross the seas

Nor if you own a bank full of employees

Or if you lead your own church to put your soul at ease

...will I ever bow down to you

I won't bow down to no man

I won't bow down to no man
