What About Me? Mr. President

All of my money

I done spent

I prayed to the Lord

But nothin's been sent Can't you see

I'm down at your feet

About like a dog

Beggin' for a scrap of meat I'm counting on you

To carry me through-----Lead-----What about them Lord

They can't pay their rent

Maybe they should all go out

And live in a tent The answer's unkind

It could blow your mind

What About Me? Mr. President
