

I Hope You Find It

[Cher](#)

These clouds are goin' nowhere darlin'
Rain keeps comin' down
I just thought I'd try to call you
Before you got too far outta town
And I hope that you get this message
That I'm leavin' for you
Cause I'd hate that you left without hearin' the words that I needed you to(chorus)
And I hope you find it
What you're lookin' for
I hope it's everything you dreamed your life could be and so much more
And I hope you're happy wherever you are
I wanted you to know that, and nothin's gonna change that
I hope you find itAm I supposed to hang around and wait forever?
The last words that I said
But that was nothin' but a broken heart talkin' darlin'
You know it wasn't what I meant
Call me up, let me know that you got this message that I'm leavin' for you
Cause I'd hate that you left without hearing the words that I needed you to(chorus)
And I hope you find it
What you're looking for
I hope it's everything you dreamed your life could be and so much more
And I hope you're happy wherever you are
I wanted you to know that, and nothin's gonna change that
I hope you find itWhatever it is I bet that you were missing here
Well I hope you find it
What you're looking for
I hope it's everything you dreamed your life could be and so much more
And I hope you're happy wherever you are
I wanted you to know that, and nothin's gonna change that
I hope you find it
I hope you find it
